#### 4.2.1 Library is Automated using Integrated Library Management System (ILMS)

This is to certify that the library is partially computerized with Code Pro Library Management Software version 2.0

- Name of the ILMS Software: **Code Pro Library Management**
- Nature of Automation (Fully or Partially): Partially
- Version :2.0

Year of Automation: 2019-20Library is partially computerized with Code Pro Library Management software version 2.0 from June 2019. The various library housekeeping activity such as acquisition section (data entry), circulation section (Issue and return, renewal of books etc) will be done through this software. This software also supports barcode version. The software includes modules like: book indent, purchase, budget,stock verification etc and the data regarding the library usage by staff, students and other members. At present circulation of books for staff and students is maintained manually through the register and in future circulation through library software. The membership of the library is open to all faculty members and students.

The institution has a permanent librarian. The college library was established at the very inception of the institution. The library is well ventilated and facilitated for comfortable seating. Our college library has 4412 books, 6 daily newspapers, 10DVD accompanied with the books. College library services facilitate to support the educational goals of students and faculty members. The books, reference books, magazines, newspapers services are accessible to students and teachers. Registers like library accession register, students and teachers visiting registers are maintained in the library. The institute has Library committee which includes Principal, librarian, all HOD'S representatives. Purchase of various books, current titles, other reading materials to the library are planned and decided by all the heads of departments. In addition to this library has maintained gazetteers, novels in kannada language and collection of old question papers of all courses of UG exams.
