ENGLISH COMMUNICATION SKILLS

A CERTIFICATE COURSE OF 30 DAYS

REPORT

A certificate course for the students of the college was introduced by the department in the year 2018-2019. Before introducing the course, the department conducted a meeting with the principal and decided to have a meeting of Board of Studies for the certificate course. The department invited the staff of the English Department as the External members of the BOS as the BOS was active for 3 years from 2017. A circular was passed by the department inviting the BOS for a meeting in the college.

Dr.Shiddappa Chillur, Associate Professor & HOD, English also Dr.Disha Madan, Lecturer- Nehru Arts, Science and Commerce College, Hubli were the two eminent and experienced faculty included in the BOS.

In the presence of the Principal and the other BOS members a meeting was conducted on the 4th of August 2018 at 3.30 pm. In this meeting a syllabus was reframed for the certificate course to begin. Certain modules to be included in the syllabus was an additional note taken for consideration. The suggestions given by the members of the BOS were considered and the meeting decided to incorporate all the essential points put forward by the BOS. The certificate course would be of 30 days.

It was decided by the Principal, IQAC and the Department faculty to circulate the notice about the beginning of the certificate course in English Communication Skills in the month of August and accordingly a notice was sent by the Department to the students on the 6th August 2018 that declared the beginning of the certificate course and the concerned details.

The Certificate Course began from 9th of August 2018 and followed for 30 days successfully as per the time-table. The students at first found it difficult to follow but found it comfortable later. Students could pose questions, interact, learn to greet and respond to requests, use suitable phrases, words, frame sentences and they were getting closer to proper pronunciation of new words.

The modules framed in the syllabus helped the students get well versed in conversation skills at different situations/scenarios.

The modules from the syllabus were getting fruitful with the students active participation in the discussions and the communication sessions.

Overall the certificate course with the modules explained during the classes with Ppts and many other audio-visual aids was run successfully and at last an oral examination conducted in the last hour of the course days was found satisfactory. The department was now pleased to issue certificates to the students of their course completion.

Feedback forms were distributed on the last day among the students to obtain their opinions. It was understood that such certificate courses can actually help students motivate to come forward and speak with free mind if they were confident and the language of communication though they find it difficult in the beginning can be made easy by such inclusions in their day-to-day life, specially in their learning syllabus.
